

## **CHURCHDOWN VILLAGE BOWLS CLUB (CVBC)**

### **TRANSPORTATION OF CHILDREN; SUPERVISION OF CHILDREN; LATE PICKUP/ COLLECTION OF CHILDREN POLICY**

#### **TRANSPORTATION OF CHILDREN**

Churchdown Village Bowls Club **does not** transport any child to any bowling events. We expect the parent/carers to arrange their transport.

Should the parent/carer not be able to transport the child then it is their responsibility to arrange alternative transport and to make sure that they choose an appropriate adult. They should also check that the driver has the correct car insurance, MOT and the car is safe to drive. They must provide the driver with emergency contact details.

#### **SUPERVISION OF CHILDREN**

Any child playing bowls within the club will be supervised off the green by their parents/guardians. If playing a match/or being coached on the green then the 'skip' of the team/coach will be responsible for the child's correct conduct whilst playing. If the child ignores the skip/coach then he/she will be asked to leave the green and his/her parents/guardians will be informed as to why.

#### **LATE COLLECTION/PICK UP OF CHILDREN**

The child should be supervised by their parents/guardians to and from the club so this should not occur. However, if the parent or guardian does have to leave the child for whatever reason it is their responsibility to arrange a member (adult) to supervise the child and to stay with the child until the parent/guardian returns.
